Internships at Pakistan Water Partnership PWP

Pakistan Water Partnership (PWP) accepts interns depending on (i) the specific needs of work units at the Secretariat and their capacity to effectively support and supervise the interns and (ii) on the Secretariat's capacity to absorb interns physically. Interns accepted will carry out their tasks under the supervision of a designated staff member of the Secretariat.

Purpose

To provide internships to students who have specialized in a field related to the work of Pakistan Water Partnership (PWP) (e.g. Finance & Admin, Communications) to:

- Provide the Secretariat with the assistance of highly qualified students.
- Offer important practical experience which complements their field of study.
- Expose them to and give insights into the work of Pakistan Water Partnership (PWP).
- Promote a better understanding of the concept of integrated water resources management.
- Have students promote Pakistan Water Partnership (PWP) and our core values.

Conditions of internship

Pakistan Water Partnership (PWP) offers no remuneration or any other financial support to meet expenses for travel, subsistence and health/accident insurance. The internship period can vary in duration (usually 3-6 months) depending on the student's availability and the tasks assigned.

Obligations of the intern

Interns accepted for an internship period at Pakistan Water Partnership (PWP) must:

- Be enrolled in an educational or unemployment programme at the time of application and during the internship

Qualifications

- Interest in water resources management and environmental sustainability issues or in a field related to the work of Pakistan Water Partnership (PWP).
- Ability to work in a multi-cultural environment and a team player.
- A good command of the English language in speaking, reading and writing.
- Good knowledge of computer software including word processing, presentation, internet communication.

Pakistan Water Partnership

Application procedure

Interested applicants should send a cover letter introducing themselves and their area of interest, a CV, and contact information to the Office Services Manager and Human Resources Officer at Pakistan Water Partnership (PWP). The Office Services Manager and Human Resources Officer will screen applications and forward qualified candidates to the relevant manager. Provided there is a current possibility to welcome an intern, the most suitable candidate(s) will be contacted for an interview.

Internship agreement

Interns accepted will sign an agreement specifying the duration and the tasks for the internship, the supervisor/coach as well as the requirements Pakistan Water Partnership (PWP) have relating to confidentiality, intellectual property rights, insurance and waiver of claims.

Advertisement of internship opportunities

The Secretariat posts information about Pakistan Water Partnership (PWP) internship programme and the opportunity to apply for an internship at the Secretariat on the Pakistan Water Partnership (PWP) website.
